NIFC 2nd Annual Winter Blast Scores a Goal!

Snow couldn't keep NIFC from hosting it's 2nd Annual 3v3 Tournament on December 30th, 2009. NIFC was able to provide 9 age brackets for both boys and girls from U9 to U18. NIFC provided the opportunity for over 56 teams to play at least 3 games. The day started with games kicking off at 7:30am and finishing with our final game at 10:00pm. We thank all who helped make this event happen. Thank you Dawn Bosio who did an excellent job as Tournament Director and President of NIFC Dan Carl for the Remarkable job on the schedule. A special thanks to our sponsors: Kish Health System, National Bank & Trust Company, Wal-Mart. Proceeds will be used towards player scholarships and indoor training facility costs. The 3v3 fundraiser brought in \$8,250 to help with club operation fees.
